Dear Honourable President,

We are very pleased to approach you with the suggestion for the first hemispheric meeting of regional courts and tribunals to exchange views on issues of common interest. We consider that discussion of the institutional arrangements for the strengthening of our courts, and of the substantive rules and concepts to be applied by our courts, could be of great mutual interest.

Accordingly, the hemispheric meeting, which we propose in the first half of 2022, would consider items on the attached first draft of the agenda.

We are very open to your suggestions for amendments to the agenda.

To facilitate relevant discussions, we propose a planning virtual meeting for **9 December 2021 at 10 AM [AST]**. We would be grateful if you would attend or nominate one of your judges to attend this meeting which would be ground zero for planning the hemispheric meeting.

Trusting that you are well, we look forward to hearing from you.

Best wishes,

/s/ Winston Anderson
